

The NICN and APIC NE Symposium: 45 Years of Progress: Advancing Infection Prevention and Control Together

We Welcome: Nurses, physicians and other healthcare workers interested in infection prevention and immunization updates.

Course Description: Join NICN and APIC NE for their 45th anniversary symposium. Join us for an engaging and informative workshop dedicated to infection prevention and control in all healthcare settings. This workshop will feature expert speakers and interactive discussion on infection prevention strategies, leadership development, vaccination promotion, and media interaction skills.

Experience the incredible insights from our expert presenters! Join us as they delve into critical topics like the future of infection prevention, effective leadership development, vaccination promotion, and so much more. Don't miss out on this chance to empower your knowledge and elevate your practice! [Click here for a full list of content & speakers!](#)
