- › Top 10 Infection Control Citations
- › Resident Safety and Vaccination
- › Antimicrobial Stewardship: Program Infrastructure and Interventions
- › Antimicrobial Stewardship: Tracking, Reporting and Education
- › Surveillance and Data Analysis
- › Wounds and Infection Control
- › Outbreak Management

Certificate for Long-Term Care Session

Participants who attend the full course (two days) have the option to obtain a Long-Term Care certificate of knowledge validation by taking a written post-test after the training. This certificate is issued by NICN in collaboration with Nebraska ICAP and Nebraska DHHS Epidemiology Unit, and it is valid for three years.

The post-test will be administered at the conclusion of Day 2 Long-Term Care Facilities session. It is comprised of 25 questions, with a passing score of 80 percent. There is no additional cost for taking the post-test or to receive the certificate. If you desire to take the post-test, mark the appropriate box on the registration form.

Continuing Education Credit

Clarkson College is an approved provider of continuing nursing education by the Midwest Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Requirements for Successful Completion

- › Attendance at entire session each day is required to obtain contact hours. Partial credit is not provided.
- › Completion and submission of the evaluation form is required.

Cost & Schedule

The course fee is \$125 per day, which includes lunch, breaks and materials. The daily session schedule is as follows:

Registration	7:30 – 7:50 a.m.
Welcome	7:50 – 8 a.m.
First session	8 a.m.
Lunch break	12 p.m. (approximately)
Evaluation	5 p.m. (approximately)

Course Location & Parking

Course will be held on the Nebraska Medicine/University of Nebraska Medical Center campus in Omaha, Neb. Complete event details will be communicated at a later date.

Parking information and a map will be emailed prior to event. Plan to arrive early, and allow adequate time to park and find the facility.

Registration

Participants may register for the course using one of the following methods:

- › Online with credit card by visiting ClarksonCollege.edu, Professional Development
- › By phone with credit card by calling 402.552.6148 or 800.647.5500 (ext. 6148)
- › By mailing a completed registration form with check made payable to Clarkson College, Professional Development, 101 South 42nd Street, Omaha, Neb. 68131-2739
