

Nebraska Infection Control Network Scholarship Application Form

Purpose:

The Nebraska Infection Control Network is offering a number of small scholarships to defray course expenses for applicants whose attendance may be compromised by financial issues.

Application must be postmarked no later than 1 month prior to starting course date.

Persons eligible to apply for a scholarship must:

- ✓ Be actively functioning in an infection control capacity.
- ✓ Be an RN, LPN, or Medical Technologist.

Scholarships:

Three \$200 scholarships (waived tuition) may be awarded for each course.
